

800-2500MHz 14dBi Wall Mount Panel Antenna

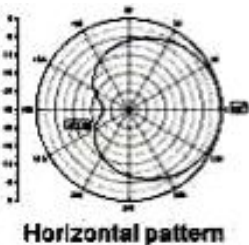

Electrical specifications

Frequency Range(MHz)	800-2500
Polarization	Vertical
Gain (dBi)	14
Half-power beam width (°)	Horz:70 Ver:50
VSWR	≤1.5
Maximum input power (W)	100

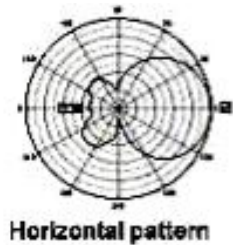

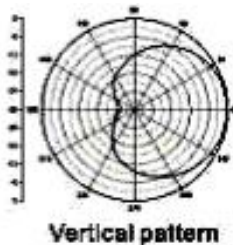

Mechanical specifications

Connector	N-Female
Connector position	Bottom
Height×width×depth (mm)	250×220×60mm
Packing size (mm)	253×223×62mm
Antenna weight (kg)(with installation kit)	1.0
Packing weight (kg)	1.2
Reflector material	Cu Aluminum Alloy
Radome material	ABS
Radome color	white
Operating temperature (°C)	-40~60
Mounting hardware (mm)	Mounting on the wall

800-960MHz

1710-2500MHz
