

High Performance Yagi Antenna 2400-2500 MHz 16dBi

Electrical specifications

| | |
|-------------------------------|---------------|
| Frequency Range(MHz) | 2400-2500MHz |
| Polarization | Vertical |
| Gain (dBi) | 16 |
| Horizontal 3dB Beam Width (°) | 20 |
| Vertical 3dB Beam Width(°) | 20 |
| VSWR | ≤1.5 |
| Maximum input power (W) | 50 |
| Lighting Protection | Direct Ground |

Mechanical specifications

| | |
|--|-----------|
| Element | 16 |
| Length | 570x70 mm |
| Connector | SMA-Male |
| Antenna weight (kg)(with installation kit) | 0.5 |
| Cable | 1M |
| Operating temperature (°C) | -40~70 |
| Wind Velocity | 160 m/h |
